

Manitoba Federation of Non-Profit  
Organizations Inc. presents:

# Human Resources Shared Services Hub

Sustaining a high quality workforce in the non-profit sector.

*The Manitoba Federation of Non-Profit Organizations (MFNPO) is seeking to build a team of like-minded Executive Directors to participate and share in the design, development and use of common HR practices that target their specific organizational gaps in areas like:*

- Recruitment & Retention
- Performance Management
- HR Policy Development
- Employee Engagement

## The HR HUB Process

This innovative approach includes participation in facilitated monthly meetings, peer learning, and executive HR coaching. Working with Non-Profit Senior Leaders, it will effectively tackle specific organizational HR shortcomings to develop sustainable and practical

### HR Tools and Processes.

## Key Features

- Access to an Executive HR Coach to meet your organizational needs
- Participate in a facilitated peer learning network
- Designed to ensure a minimum of a one year organizational commitment to the process.
- No financial cost to your organization

## We are looking for you!

The MFNPO's Human Resources Shared Services HUB targets Non-Profit Organizations most senior leaders (*Executive Directors*) who have the ability to :

- Make a 1 year commitment to participation in monthly meetings beginning February 2012
- Have the ability and willingness to participate as a learner and a teacher within the HUB setting
- Take risks and expand beyond your comfort level
